

## BABY RAFT

**Raft trip to the Marais lake, a natural river environment typical of the Aosta Valley, designed to be suitable for children.**

**Duration activity :1,30 H**

**Photo Service: EUR 4 per person**

**Recommended for: Children**

**Down Payment: EUR 10 per person**

**Wildwaterclass / Itinerary: I° / 1 km**

**Participation:** Everybody can participate in the school's activities as long as they can swim, are in good health.

**What To Bring:** It's suggested to bring swimming costume and shower supplies for a hot shower.

**Duration Of Activity:** Includes changing, briefing and time in river.

**Security:** All descents are preceded by a full safety briefing, and fitting of equipment by an instructor. We carry phone contact from the river to the base. We reserve the right to modify the program depending on weather and river characteristics to best suit the participants.

**The Price Includes:** Professional guides, all river equipment, neoprene wetsuit, disposable hygienic socks, neoprene shoes, life jacket, helmet, use of showers and changing rooms, transport from the base to the river and return to the base.

**Clothing:** All the river gear is provided by the school.

**Payments:** Have accepted cash, credit cards and checks.

**Other Services:** Photos, videos, care of personal valuables, dog-sitting, WiFi internet free, grill, firewood & fridge for organizing barbecues and parties, bathroom for disabled and free parking for bus and 100 cars with CCTV cameras.

**Weather:** The rain is never a problem, actually it increases the water level and makes the river even more fun! We will supply safety gear to keep you warm, and at the end of the trip there will be a nice hot shower waiting for you. But if conditions appear to be dangerous on the river we will notify you in advance. In this case we can arrange another date or receive a refund of the deposit.
